Jaap Leegwater is world-renowned folk dance teacher and musician from the Netherlands who specializes in Bulgarian dance. He lived in Sacramento for 16 years before returning to the Netherlands in 1999. We do many of his dances including Celebinsko, Karamfil, Kitko Zelena, Mâri Marijko, Račenica na Horo, Rusi Kosi, and many more. Jaap recently made several new research trips to Bulgaria. He is happy to share some of the original Bulgarian dances he learned during these trips as well as older material.
